

**PM&DC AND MINISTRY OF HEALTH NHRS&C TO TAKE STRICT MEASURES
ON MEDICAL AND DENTAL COLLEGES WHO ARE NOT FOLLOWING CENTRAL
ADMISSION POLICY**

Islamabad 27th November 2017: The Pakistan Medical and Dental Council and Ministry of NHRS&C have started taking action against the colleges who are not following the centralized admission policy 2016.

PM&DC President in a statement said that all colleges have to submit their student registrations lists before 31st March 2018 for the session 2017 -2018 to PM&DC after completing the admissions as per centralised admission policy 2016, otherwise students shall not be registered with PM&DC.

PM&DC has refrained all the private medical and dental colleges to invite applications and display of their merit lists and has strictly directed that admissions in MBBS and BDS courses in public and private sector institutions of Pakistan and abroad shall be governed by Admission Regulations 2016, vide S.R.O. 1003 (I) 2016 dated 27th October, 2016 (admissions, house job and internship regulations 2016) which are available on PM&DC website i.e www.pmdc.org.pk.

All students, their parents and institutions are advised to strictly follow the centralized provincial/regional admission/entry test policy described in above S.R.O and all the other decisions done by the PM&DC.

He cautioned that any admission taken or granted against these regulations shall be considered as violation of PM&DC rules and shall not be registered by affiliating university and PM&DC. The violating institution shall be penalised under the Ordinance 1962.
