

PM&DC STARTS ISSUING REGISTRATION CERTIFICATES TO FOREIGN GRADUATES.

Islamabad, October 7, 2016: Pakistan Medical and Dental Council has directed his entire registration and NEB section to issuance registration certificates of 415 registration cases of foreign graduates who have successfully passed the NEB examination before October 10, 2016. These doctors have come to PM&DC for registration purpose after having passed their NEB examination and being notified by Ministry of Health.

On directions of the Executive Committee members Registration and NEB section will remain open even during holidays under the supervision of PM&DC Acting Registrar Dr. Syed Azhar Ali Shah. They have also been directed to deliver these registrations to these graduate doctors at their doorstep through post (TCS) before Muharram holidays to avoid any inconvenience for the foreign graduate doctors. All these foreign graduates doctor can get postal information including their cases tracking numbers by visiting the official website of PM&DC.i.e www.pmdc.org.pk

While talking to media Dr. Aamir Hussain Bandesha, Member Executive Committee said that we are trying to improve all matters related to PM&DC including NEB Examination process. He said this is the first time that foreign doctors will get their registrations done in short period to save their precious time.
